

Conference Abstracts

INTERNATIONAL

1. Mittal P, Behari S, **Banerji D**, Chhabra DK, Jain VK: Posterior occipital-axis. Fusion for atlantoaxial dislocation associated with occipitalised atlas in a paediatric population. **23rd Annual conference of International Society of Pediatric Neurosurgery, Santiago, Chile, September 26th to 29th, 1995.**
2. **Banerji D**, Acharya R, Behari S, Jain VK, Chhabra DK: Median corpectomy for multilevel cervical spondylotic myelopathy. **54th Annual Meeting of the Japan Neurosurgical Society, Nagoya, Japan, 1995.**
3. Jain VK, Behari S, **Banerji D**, Chhabra DK: posterior occipital-axis fusion for atlanto-axial associated with occipitalised atlas. **54th Annual Meeting of the Japan Neurosurgical Society, Nagoya, Japan, 1995.**
4. **Banerji D**, Sharma KH, Behari S, Chhabra DK, Jain VK: Corpectomy with or without bone graft for multilevel cervical spondylotic myelopathy and ossification of the posterior longitudinal ligament. **11th International Conference of World Federation of Neurological Surgeons, Amsterdam, July 8th – 11th. 1997.**
5. Jain VK, **Banerji D**, Behari S, Mukherji KK, Chhabra DK: posterior occipital-axis fusion for atlanto-axial associated with occipitalised atlas. **11th International Conference of World Federation of Neurological Surgeons, Amsterdam, July 8th – 11th. 1997.**
6. Behari S, Bhargava V, Jain VK, **Banerji D**, Chhabra DK: Management of congenital fixed atlantoaxial dislocation. **Congress of Neurosurgical Surgeons, Boston, MA, USA, Oct 30th – Nov 4th 1999.**
7. **Banerji D**, Sharma KH, Trivedi P, Behari S, Jain VK, Chhabra DK :Medium corpectomy without fusion for cervical spondylotic myelopathy. Poster in **Congress Of Neurological Surgeons, Boston, MA ,USA , Oct-30th – Nov 4th 1999.**
8. Chhabra SK, Behari S, **Banerji D**, Kumar R, Jain VK :Spinal Tuberculsis with neurological impairment:Efficacy of surgical management. Poster in **1st World Spine Congress, Berlin ,Germany 29th – 31th August 2000.**
9. Chandra D, **Banerji D**, Behari S ,Jain VK ,Chhabra DK : Interhemispheric approach to surpasellar Lesions.**Asian congress of Neurological Surgeons ,Nagoya, Japan,7th Nagoya,2000.**
10. Nayak S,Behari S,Jain VK, **Banerji D**, Chhabra DK :Management Of Tubercular atlatoaxial dislocation. **Asian Congress Of Neurological Surgeons ,Nagoya, Japan, Nov 5th -9th 2000.**
11. **Banerji D**, Vyas KH , Behari S , Jain VK ,Chhabra DK :Extreme Lateral Trans Condylar Approach of Meningiomas of the Anterior Foramen Magnum. Poster **6th Asian Congress of Neurological Surgeons at HongKong 26th-30th Nov 2002.**
